2. Brahms Burgers

3. This site is a homage to the greatest culinary contribution The United States has ever made. The Hamburger! So come on in and make a profile! Once you have signed in you will be able to upload your very own burger recipes and pictures! Show your friends and link to social media sites!
The burger recipes and data will be stored in an SQL table called burgers.
This table will contain a description of the burger, an image of the burger and the user id of the user who submitted it.
Current Functionality

- Navigation bar
- Responsive design
- java script routing between nav bar links
- Link to Burger wikipedia (click the large burger icon)
